Riverhill Reporter

August 2023

From the Desk of Jeff Hunter

General Manager

I would like to begin this article by thanking the Riverhill membership for the overwhelming understanding being shown during this drought and with our closing of the golf course for the month of August. The attitude and support displayed is why Riverhill is known as a community, member friendly and very welcoming club, throughout the Hill Country and across Texas. Thank you!

We continue to move forward with the work being done on the golf course and the construction pace has greatly picked up. Most of the work is completed on the front nine, bunker work and tee boxes have begun on the back nine, and our own maintenance crew has seeded the front nine greens and will move to the back tomorrow. Despite the drought we are very confident in our plan and we look forward to an amazing fall season of golf.

The staff is putting together a lot of activities to enjoy such as putting competitions, long drive competitions and skills challenges during our closure. Don't forget that the practice facilities, range, putting green, and short game area, all remain open, along with the golf shop.

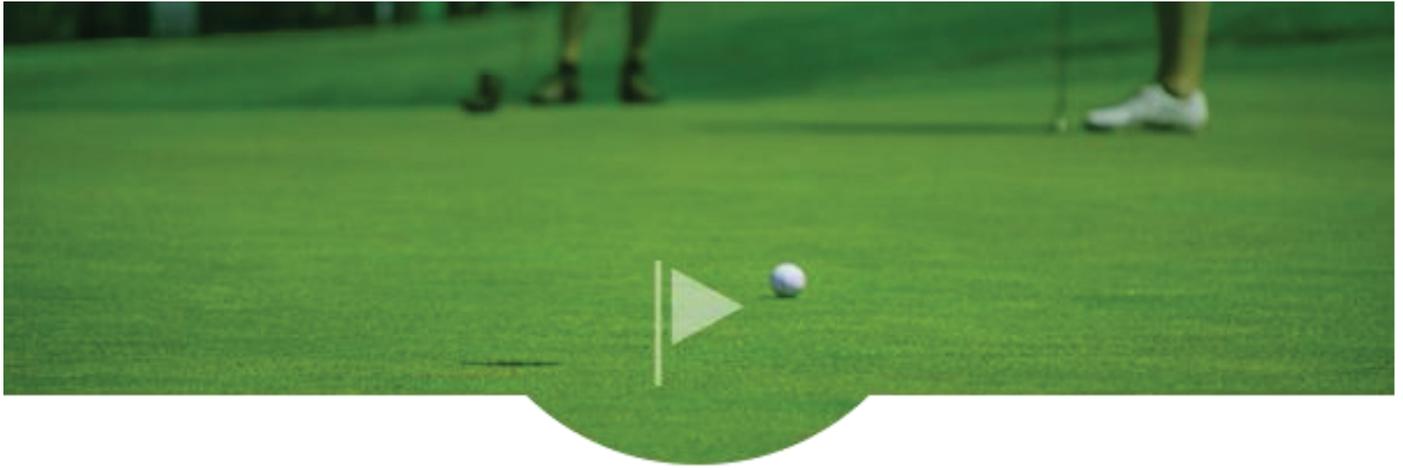

We are very excited about the Eleven-Straight and Cedar Crest rooms. The new glass doors were installed this week which will allow us the opportunity to have two different functions at the same time. The food continues to get great reviews, the wine club dinner was amazing, and whether you are enjoying a casual lunch, indoors or out on the patio, or if you want a quieter dinner in the Cedar Crest room, we are happy to accommodate.

The new swimming pool continues to be a big club favorite, pickleball and tennis are growing in numbers, and the fitness facility is getting more use. The newly painted clubhouse looks spectacular, and we are awaiting a landscape plan for club grounds.

If you have not done so, please check the August calendar for upcoming events. It could be the new pickleball clinics, adult swim on Thursdays, Ladies Night at The Mansion or our End of Summer Pool Party, there is something for everyone with much more to come. As always, please watch for emails as we add events to our calendar.

Once again, thank you all for your support. The heat of August hopefully breaks soon and the golf course will be open before we know it!

General Manager

Golf

Thank you to everyone for supporting our closure of the golf course through the month of August. This decision was not made lightly, but it was made for the long-term benefit of our golf course and our membership.

The practice area will remain open as will the golf shop, so please come out, hit some balls, putt and chip, then stop in to tell a story or just say hello.

During the closure we will work with you on tee times at Buckhorn, Tapatio and Fair Oaks. All times must be made through our golf shop. We will have limited space and will be as fair as possible when making these times.

We will also conduct some fun events such as putting contests, wedge games, clinics, and others. Please make sure to check emails for our schedule.

Thank you all again for the support.
