September 2022

From the Desk of Franck Mannechez

General Manager

I think everyone enjoyed seeing a little bit of rain, and hopefully we will get some more. As we get into September, the temperatures should go down a little and help.

Some exciting news as we go into a new season, we are starting new casual dining at the Mansion. Look for our new menu and new wine list to dine at "The Black Buck" in The Mansion Grill on special evenings. The Turning Point will get an updated menu in October for the fall.

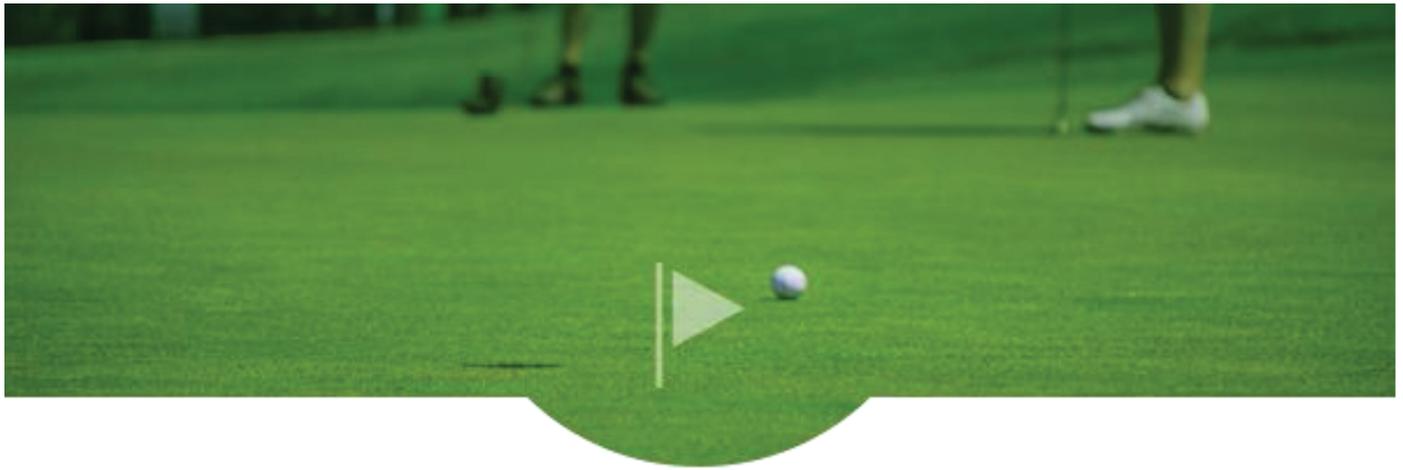

We have fun and exciting activities planned in September, starting with our Labor Day Party at the pool on Monday, September 5th, with a Scavenger Hunt, Cardboard Boat Race, and more. (The Club will be Closed on Tuesday, the 6th.) Trivia Night on September 8th (Applause for last month's winner, "The Dream Team"). Don't miss Jazz Night on September 14th with William Galvez and, of course, our indoor Movie Night on September 16th, featuring Jurassic World Dominion, Bingo Night on September 23, and make sure to keep an eye on the growing Jackpot for Dining Lotto Nights on September 7th and 28th.

I am really looking forward to a great fall here at Riverhill Country Club and would love to see you all at some of our events.

Riverhill Proud!

Golf

We finally received some rain but so much more is needed. Its amazing how fast the grass greens up but please continue to pair up and use the cart paths and roughs as much as possible.

Tuesday Night Scramble, new weekly event. We hosted our 1st one on the 23rd, had 18 players, the winning team won by a shot and there was a 4 way tie for 2nd. The skin pot was not won so \$135 carries over to the next week. The format is a 3-person scramble, make your own team. Scoring for day money and skin is net. Players under 40 and indexed less than 5.0 will play the blue tees and each player needs to contribute 2 drives. Entry is \$30 and includes dinner afterwards in the TP, sign-ups are weekly, and teams can change week to week. We pair in 6somes so it's a great way to meet more members.

Updated hole handicaps have added to the new scorecard. There are some drastic changes as the USGA calculates the hole handicaps differently now than last time we did scorecards. The hole handicaps are now calculated strictly by the hole difficulty, that was figured by the course rating team when the course was rated. The biggest changes will be #3 going from 1 to 17 and #4 going from 15 to 1.

Score entry procedures for handicaps: 1. Players can enter on the GHIN app, but we still need the scorecard for our records, 2. Entry computer in the Men's 19th hole or 3. the golf shop staff can enter by either dropping in the box or at the counter. Reminder that all rounds that you play with someone need to be entered 9 or 18 holes.

Our **Jr. Golf clinics** will start back Wednesday Sept. 7th, and classes will be at 4:00 (9 and under) and 5:00 (10 and over) and continue till Nov. 16th. If you know of any juniors that would like to learn how to play or ones that already play and want to continue to improve their games, have them contact the golf shop to sign up.

Fall fitting day: Taylor Made Friday Sept. 9th 11:00-3:00. Appointments available and will be fit with the current Stealth product using the trackman. Also Cleveland will be here the same day for wedge fitting.

Collins Cup Update: The Coll. Cup teams will be picked after the Fall Member Member. The Club Championship, Fall Member Member and Sept. Staff Scramble are the last qualifying events of the year. The top 38 on the points list earn the automatic spots, updated points for the Top 50 on the bulletin board outside the golf shop.

The fall will be busy with the following activities:

A Round to Remember	Sept 10 th – Applications in the golf shop
Men's Club Championship	Sept 16 th – 18 th

Ladies Club Championship	Sept 23 rd – 24 th

September Golf Course Updates

For the month of September, the cart path only holes will be #1 and #10.

Recently we have had some rain in the area but have only received 1” on property. It certainly helped soften the turf up and even saw some hints of green. Until we get out of this drought we need to continue to pair up in carts and use the cart paths and roughs as much as possible. This really makes a difference, and we appreciate your cooperation.

Some summer weeds such as crab and goose grass as gotten into a few greens on the front 9. The crab grass will go away once the temps cool down and not as much water is needed. The goose grass has to be pulled by hand and the staff is hitting the healthy turf areas first. If the surface is broken in weak areas, it can lead to more weeds in the area.

Fairway water will continue to run during the day and as temps cool down water will be cut back on the greens.

As always, please help us by repairing your ball marks, sanding divots in the fairways.

See you on the course,

Trevor Corbet and Bogey

RHMGA Closes Out the Summer with Two Events in August

The Men's Golf Association completed its' summer schedule during August. On August 13th, the MGA held its' annual "Big Break" Skills Competition and Summer Social. A week later, the MGA held the first ever "Big Cup" Invitational.

The "Big Break" Skills Competition is modeled after the made for TV event that was popularized on the Golf Channel during the early 2000's. The MGA version features 9 stations in which individuals receive points for various skill demonstrations. The putting portion includes a short putt station, a long putt station, and a challenging putt from just off the green to a tricky downhill pin. The short game challenge includes two chipping events and one bunker play position. The final 3 stations are set up on the Driving Range where players are challenged to hit shots into a chipping net from 20 yards and then two stations are set up to allow golfer to demonstrate their ball flight skills.

The winner of the First Flight was Bo Bigelow. Stevie Jones finished 2nd in the First Flight. Finishing in a tie for 3rd in the First Flight were Paul Mitchell and Matt Robinson.

Lewis Carpenter was the winner of the 2nd Flight. Randy Crook finished in 2nd Place. Finishing in a tie for 3rd in the 2nd Flight were Cecil Fellows and Clay Steadman.

On August 20th, the MGA held its' first ever "Big Cup" Invitational. This event featured individual play by the competitors to oversized cups on the greens. Results for this event were as follows:

In the Championship Flight, Stevie Jones won Low Gross with a score of 69. The Low Net Winner was Chuck Hempstead with a score of 64. Zac Hoerster finished in 2nd Place in the Net Competition with a 69 and Harold Danford finished in 3rd Place with a net score of 70.

In the First Flight, all scoring was completed on a net basis. Winning 1st with a net score of 63 was Randy Evans. 2nd Place went to Adam Harris with a score of 66. Cecil Fellows was 3rd Place with a score of 67. A. J. Lovitt shot 68 to finish in 4th Place. Finishing in 5th Place was Michael Wood with a 68.

Closest to the Pin went to A. J. Lovitt.
