April 2022

Dear Riverhill Members,

Spring is finally here, and The Club is in full swing for the upcoming golf season. Trevor and his crew have worked bringing the course back after trying weather conditions. We expect the course is in great shape and ready for the season.

Franck has already made a tremendous impact at The Club. He and his team have done a great job in training and providing much improved dining experiences for our membership. We have been receiving great feedback overall, especially on our Sunday Brunches. Traffic in our dining areas continues to grow. Thank you all for your continued support dining at The Club.

We will continue to grow our Club strategically, but our goal is to focus on building the best possible programs for our membership. There is great value in being a member at Riverhill. Dues and dining are more than competitive in our industry. Whether you are a golf or social member, we will continue to create memorable and fun events on a monthly basis for you all.

I look forward to a wonderful season at Riverhill Country Club. It is a great time to be active in the Club. Great weather, great dining, and a wonderful atmosphere to enjoy. Let us invite our friends and neighbors to Riverhill. As always, we appreciate our membership and are proud of the way our Club is represented in the community.

An update on Club improvements, I spoke with our contractor this past weekend, and they have us on the schedule to begin the first part of April. I am looking forward to the completion of work in the Mansion, Pool Bathrooms, and various building enhancements that are needed at The Club. Landscaping projects are also planned for this next month.

Thank you all, we have an incredible membership and staff. Riverhill Pride!

From the Desk of Franck Mannechez

General Manager

Spring is finally here; it means longer days for fun activities. It also means that the colors will be coming back (hopefully with a little bit of help from mother nature). Over the next month, we will be working on some aesthetics around the Mansion and the Turning Point.

I want to thank all the members that came and enjoyed the Crawfish Boil (because of the popular demand, we will have another one in May) and the 80's night party. Although we have made some progress with hiring 2 new servers (Ryder and Stephen), we will still be looking for and adding new recruits to our team.

We have a lot of exciting events in April with Italian Night, Prime Rib Night, Bingo Night, Farm to Table event, and of course, our big Easter weekend. Starting Saturday, April 16th, we will have our lunch with the Easter Bunny with Egg Decorating, Pictures with the Bunny, Inflatables, and the Easter Egg Hunt (be there to find the Golden egg and win prizes). On Sunday, April 17th, we will have our Special Easter Brunch prepared by our wonderful culinary team led by Chase, our Executive Chef. Don't forget to make your reservations.

As far as the Turning point, I hope you will be enjoying the modifications we made to the menu and the presentation of our dishes. Our next phase over the next couple of months will be to work on the wine list and the Mansion menu.

I am looking forward to seeing you at the club.

April Golf Course Updates

For the month of April the cart path only holes will be #7 and #17

March was very dry and windy. The drought conditions have worsened and we will be now be watering fairways during the daytime with the treated water and will need you to play thru the water. We need your assistance helping maintain our turf conditions as we transition into the growing season by pairing up in carts, using the 90 degree rule and keeping carts on the paths around greens and tees.

Also, the course has been fertilized with spring preemergent wall to wall for spring and summer weed control.

See you on the course,
Trevor Corbet and Bogey

Men's Golf Association (MGA)

In case you were wondering, March is a month of transition. As the days get warmer while the nights remain chilly, there's a wide daily variation in temperature. This (along with an increase in low pressure situations) is the primary reason we've all been asking "WHEN IS THIS FREAKING WIND GOING TO STOP???". This weather lesson has been another friendly service of your MGA.

Our Nite Golf event that was to be held March 12th ended up getting canceled due to the weather. It has yet to be rescheduled, but hopefully you will have another chance to enjoy this popular event.

We were luckier with our 2 Man Pick Your Partner Best Ball/Scramble held Thursday, March 24th. The First Flight winners were Blake Smith and Rick Perry placing first and the team of Chuck Swallow & Charlie Thomas placing second. In the Second Flight, first place went to the team of Charlie Digges and Bob Fairchild. Second place was won by Cecil Fellows and Mike Graxiola. Pall Mitchell hit Closest to the Pin on #11.

The golf event was followed by the MGA's 1st Quarter Social. Everyone gathered on the mansion lawn to enjoy socializing, drinks and a great BBQ dinner.

Our upcoming April event is Saturday the 2nd. This will be (maybe *was* by the time you read this) the first of four MGA Majors for 2022. The MGA Masters will be an individual stroke play event with full handicaps. The twist for this tournament is that the handicaps for each hole will be determined by the corresponding hole at Augusta National. Prizes will be awarded for both Gross and Net scores. Breakfast and Lunch will be served. Last but not least, as a major event, all participants will earn Collins Cup qualifying points.

Until next month, Happy Golfing!
Jay Dunn

Riverhill Women's Golf Association

February ended on a cold note, the golf being cancelled for 2/23 Wednesday Play due to the bitter cold front that hit our community. However, we jumped right back on the golf trail with the beginning of March!

March 2nd was our first of the month Scramble with the winning team being Becky Silva, Glenda Bumpus and Susie Lovitt

March 4th, not all RWGA Ladies were in attendance for Julia's Birthday but Nancy Wilson presented Julia Finger our heartfelt sentiments in the way of a Birthday Card during dinner at the Mansion

March 9th we gathered for our Wednesday Play and were gifted two free pars (not mentioning anyone in particular but could have used quite a few more)!

The First Place Winner was Glenda Bumpus – Second Place went to Carol Swanson – Third Place to Nancy Wilson and Low Gross went to Terry Terrell!

On March 16 there were eight ladies who competed in the Stableford format. And the winners were:

First Place - Diane Henry

Second Place - Judy Fellows and

Third Place - Marlene Grothues

RWGA Members should have received an email from our Vice President Judy Fellows announcing some exciting new events! Mark your Calendars for the following and please check your directory often!

Reminders:

Please note that Saturday Play will be on April 2nd this month with tee times at 10:06 and 10:15

Sunday Couples Golf April 3rd for 4-6

Our Chair Sharon Smith has once again organized a great President's Cup Tournament! Don't forget to call the Pro Shop to sign up for the April 8-9 event!

As we truly need some rain, let's all hope that the old saying "April Showers bring May Flowers" holds true!

Tennis

The Yonex Demo Day was good and we are still offering the racket discount for the month of April. Come by and try the new rackets and see how they can help improve your tennis game. Then get the \$20 off retail along with free stringing. The courts are keeping busy and look for our April mixer date a little later in the month..

Summer is fast approaching and we have the Tennis Summer Swim Camps flyer out. Call or come by the Tennis Shop to get one and sign up now. The past few years many of the camps have filled up fast.

The OLH Tennis Team has been playing great with several victories over other schools from San Antonio. They play their regional tournament March 30th and those who qualify head to State April 7th and 8th in Waco. We have some member's children playing on the teams. (Kendra Werlein, Keagan Johnston) We wish them good luck. Go Hawks!
