August 2022

From the Desk of Franck Mannechez

General Manager

With the hot summer days here, we are heating up around the Club with some fantastic events and activities for everyone to enjoy. I want to thank Trevor and his crew who have been working continuously to be able to provide you with a great golf course despite the lack of rain and Matt and his crew for taking care of all the golfers and spending their day mostly outside in the heat. As we are talking about staff, I wanted all of you to know that we are doing a training meeting in August with our Food & Beverage Team members to enforce what we started over the last few months and to bring it up to the next level.

August will have plenty of changes for our dining nights and events. Wednesday a la carte dining will become lotto night (August 3rd and 31st, check the Newsletter for details), Bingo night will not be a buffet anymore but appetizers (\$15, August 26th), our free events, Trivia night will be at the Turning Point (August 9th) just come, play, and win and our movie night will be inside the Mansion showing "Casablanca" (August 12th). 2 new events for this month, Tacos and Tequila (August 10th) and Burgers and Brew (August 24th).

As you can see, there are plenty of options to choose and attend your favorite event. If there is anything you are interested in as far as events or activities, please email me at fmannechez@riverhillcc.com. In the meantime, stay cool, drink plenty of water and be safe out there.

Thank you,
Franck Mannechez
General Manager

Golf

September will start a busy fall golf season that we hope will be cool and wet. The Men's Club Championships will be played September 16th - 18th. The Championship Flight will be 54 holes of stroke play, all other flights will be 36 holes of stroke play with gross and net prizes. The entry is \$80 including lunch on Saturday and appetizers on Sunday.

Our fall Jr. Golf season will run September 7th - November 16th. The program will include a weekly practice and a monthly on course practice. The cost for the entire semester is \$200 or individual practices can be attended for \$15. If you have children or friends with children that are interested in learning how to play golf have them contact the golf shop.

We wish Tim well with his new Head Golf Professional position at Selma CC in Selma Alabama. Steve Marasco and Matt Hobberlin have both been promoted from our outside service staff and started their training in mid-July. Please help us by checking in your group prior to play and by noting your tees on the scorecard for handicap. Doing both will help them learn names and faces faster as well as help with handicap and billing accuracy.

August guest special \$60 after 1:00 any day of the week.

Our next Member-Staff Scramble will be on Thursday, Aug. 18th at 5:30. \$30 entry fee includes an after-round meal and credit book prizes. Please sign up in the golf shop.

A new event on the schedule for the fall will be a weekly 3-person scramble Tuesdays at 5:30. Entry will be \$30 and includes a dinner buffet in the Turning Point, daily team prize money and a super skin pot. All members are invited to play and make their own team. The team scramble and super skin scoring will be net. To make it more social groups will go out in groups in 6. Call the golf shop to sign up, entry deadline will be Tuesdays at noon.

As we look towards the fall and cool weather, I wanted to remind everyone about the upcoming events:

Fall Member - Member Match Play: October 14th - 16th

The Collins Cup: November 4th & 5th

The drought is hitting us hard, and we need your help limiting cart traffic. Please keep your cart in the roughs as much as possible, pair up in carts and park your carts on the cart paths around greens and tees. Maintenance is running fairway water all day and we need you to play thru it but wait as they water the greens.

Fairway Feats:

Rhonda Taylor shot a career best at Riverhill, 91

Steve Hoech shot 70

Peter Johnston shot 73

Sincerely,

Matt Trevino, PGA

August Golf Course Updates

For the month of August the cart path only holes will be #9 and #18.

The drought continues, fairway water will continue to run during the day, we need you to play thru it. The crew will continue to water the greens during play, please wait for the crew to finish as getting the water out in this heat is time sensitive.

The drought has really stressed the fairways, please limit the amount that you drive in the fairways and use paths and roughs as much as possible. Please pair up in carts all 4 tires on the path around the greens and tees, it really does make a difference.

The greens are soft and remain soft till the heat breaks, all shots are making ball marks including pitches please repair your ball mark and others. Please continue to sand divots even if in a dry area.

Please rain soon,

Trevor Corbet and Bogey

MGA Conducts The Open Championship Major in July

The Men's Golf Association played the fourth of its' 2022 Major Tournaments on July 9th. This tournament had a field 40 players participating in this, the final MGA Major event for 2022. The MGA Open Championship Major format was a 4 Man ABCD/123 Shamble Partnership event. Each team consisted of an ABCD Foursome as determined by the Professional Staff. The teams hit their first shot on each hole and would then select the best of the four shots. Each player would then hit their 2nd shots from that position and all players would play their own ball until it was holed for a score. Teams recorded the best score from the 4 players for their score on the Par 5's. Teams recorded the best two scores from the 4 players for their score on the Par 4's. Teams recorded the best three players' scores from the 4 players for their score on the Par 3's. Teams would then total all of the holes scores for the Team Score. Play began with a Shotgun Start at 9:00 AM.

Breakfast was served before play on Saturday and included Bacon, Sausage & Cheese Croissants.

Following play, a Lunch was served to all participants that included a House Salad Bar, Pork Tenderloin with a Raspberry Chipotle Barbeque Glaze, Bombay Potatoes, Mixed Vegetables, and Chocolate Chip Cookies.
