EAT / PLAY / RELAX

MAY 2024

Dear Riverhill Members,

As I stated in my last article, it is great to be back at Riverhill and living in Kerrville. It is wonderful to see our Club growing in activity and the golf course showing substantial improvement. An important date for our membership is May 7th. We will have a State of the Club address for our membership at 6:30 pm in the Cedar Crest Room. Jeff Hunter and I will be presenting our vision for the future of Riverhill.

Our goal for Riverhill is simple; we want to be the best and most desired membership club in the Hill Country. We aspire for Riverhill to be a true Country Club. A club where members are proud to support and call "My Club." We hope our entire membership feels inclusive and supports The Club's vision to greatly elevate our standards.

We have hired quality and qualified team members that will provide enjoyable membership experiences with training and a focus on membership service and satisfaction. Jeff Hunter, our director of golf, and Cash Lane, our golf course superintendent, are focused on delivering a great golf experience with continuous improvement on the course. Garry Nadebaum, our Director of Tennis, is developing more programs for tennis and pickleball. Caitlyn Love is in charge of our membership events and is looking to introduce new fun

gatherings for our membership. Sam Skeist and Morgan Morris are focused on improving standards of service for the dining facilities and have brought some great ideas for enhancing the F&B programs. Chase Carlile is working hard in creating food options and providing a consistent product. He has done a great job in bringing back Sunday Brunch every Sunday with a spectacular and traditional menu. Niel Powers is handling our social media, providing timely information for our members. Behind the scenes, Cody Newton is our facilities maintenance manager and building a housekeeping staff focused on keeping our facilities in good shape and improving the cleanliness of our Club.

Together we can make Riverhill the true country club we all envision. I hope to see you all on Tuesday, May 7th at 6:30 pm.

Sincerely,

A handwritten signature in blue ink, appearing to read "John", with a stylized flourish extending from the end.

Jeff Hunter
Director of Golf**

The month of April brought some crazy winds, little rain, continued

drought conditions, but also green grass, more play and a great event calendar.

As we look forward to May, the Byron Nelson, RWGA events, MGA events and open play, we all are excited about the continued improvement in course conditions. We will continue to work diligently on the golf course along with our golf activities.

The golf shop also has many new lines of merchandise. Donald Ross, Foot-Joy, Johnny O have been added for the men, IBKUHL, Donald Ross and Foot-Joy for the women and we await Tail for the women as well. GFORE also has been added to our shoe line! Please come by and browse and never forget we match all hard good prices and you receive members pricing on all soft goods!

As we continue to upgrade the golf course, our merchandise and our events, we also need to remind all members about dress codes and activity on the golf course. We all must do our part in making Riverhill the country club we all deserve and expect. We will be reminding all members of, and enforcing our posted rules for dress code, guest play and cart usage. As our ownership group continues striving to make Riverhill the finest club in south Texas, it is the responsibility of all members to treat the course and each other with the respect Riverhill and its members deserve. We will be marshaling

the golf course and we will remind all members and their guests of the following:

GOLF RULES

The Rules and Etiquette as adopted by the U.S.G.A. and the R&A shall be the rules of the Club. Local rules are available in the Golf Shop.

Dress code and guest privileges apply to all golf areas including but not limited to, the golf course and all practice facilities.

Jogging, walking, riding bikes and other activities not related to golf are not permitted. Pets are not allowed on Riverhill property at any time. Beverages and coolers are not allowed unless supplied by the club.

May Progress Report

Cash Lane
Director of Agronomy

We are now in full force with grass growing and mowing. The fertilizer application a few weeks ago has kicked in, the grass is starting to take off and our mowers are chasing it down. Aerification on the greens went smooth. We pulled a 3/8th core and applied the necessary amendments for a rapid recovery. This month we have also sliced the tee boxes to relieve compaction and tested out our fairway verti-cutter. We plan to verti-cut all fairways in the next couple of weeks and spread the harvested sprigs on bare areas. Spraying weeds is ongoing;

it's been a bad year for weeds because of the weak turf density. Another broadcast fertilizer application will be done in the coming weeks to promote growth and recover the weak areas. Our fertigation pump is working well; I already see some improvement in water pressure as we are cleaning the irrigation lines. I'm really excited about our scheduled full course aerification the first week of June. We will aerify greens, tees, approaches and fairways.

Although weather and course maintenance caused play days to be cancelled on April 3 and 10th, the Riverhill ladies still managed lots of golf. Our Stableford team bagged 11 points at River Crossing with Rhonda Taylor, Patty Armstrong, Gill Davidson and Judy Fellows all earning points. Riverhill took on Ladybird and Fair Oaks in Interclub play, adding points to our annual gross and net cumulative scores.

Riverhill Staff Spotlight

Every month we spotlight staff members making Riverhill membership enjoyable.

Sam and Morgan are taking care of you in the bar and restaurant, and we thought you would like to know a bit more about them.

Both found their way to Kerrville from afar, both having family here – Morgan’s mother and Sam’s uncle. Neither started in their current profession. In 2022 Sam retired from teaching ESL and school administration worldwide, including China, Israel, and Saudi Arabia. Morgan is a native Texan from Denton, graduating from Texas Liberty Christian. She then made her way west, working in Las Vegas as a cosmetologist. COVID put an end to that and she started working at an Animal Hospital and studying to be a Vet Tech.

They met at Bonsai here in Kerrville, where Morgan was managing the bar, Sam the floor. They saw an ad where Riverhill was looking for bartending and server professionals, they met Caitlyn, and the deal was done. Both credit Caitlyn for their immediate decision to join the Riverhill family. Both are taking leadership roles in improving the bar and the food service in the 11 Straight Bar & Grill, the Cedarcrest room, and in private events. Sam cited his leadership role as captain of the boxing team in college as being helpful in team leadership!

Asked what they liked best about Riverhill, the response was “atmosphere”. Getting to know members, the ability to establish

relationships, the opportunity and drive for improvement and growth – all factors that make them happy to be at Riverhill. As Morgan put it, the “I love Riverhill, the community here is awesome”, and Sam noted that Riverhill is “almost like a second home” for many members.

Both enjoy creating special drinks and hand crafted cocktails for members and events. They are working on wine and specialty cocktail menus for the club. Morgan talked about making one Smoked Old Fashioned for someone at a wedding, quickly followed by 34 more requests for the same drink! Margaritas are now made fresh and have become very popular, especially the Sunny Squeeze Margarita.

They’ve also created custom drinks for our members, including specialty margaritas and cocktails. Tell them your tastes, and they’ll come up with something special for you.

May Culinary Delights

First, I would like to thank all of you for the amazing support of our Club over the last month.

It was wonderful for our Culinary and Service teams from the wine dinner to Sunday Brunch. Our dedication for the month of May is to embrace Sunday traditions and make Sunday Brunch the best it can be. Our culinary team is working hard to elevate your dining experience.

Mother's Day Brunch: Treat Mom to an elegant brunch with a variety of dishes, including Prime Rib carving station, omelet station, smoked salmon, and decadent pastries. Our casual dining spot, the Eleven-Straight, offers daily specials and comfort food favorites. Don't miss the Shaved Prime Rib melt available on Wednesday for the month of May. Remember, our club is more than just golf and tennis—it's a place where food brings people together.

Bon appétit!
